HOMEMADE QUILT

MINI MIX & MATCH QUILTING

This quilting collection was inspired by the concept of "bricolage." The term is derived from the French word bricoler which means to tinker. In art and quilting it has come to refer to anything that has been constructed from whatever is at hand.

CLASSICAL ÉTUDES

FULL COLLECTION

These swirling musical designs are the perfect touch to all sorts of projects. Whether you are a lover of strings or brass, each of these stunning designs captures musicality in stitches, creating a swimming scene of music notes in every stitch out.

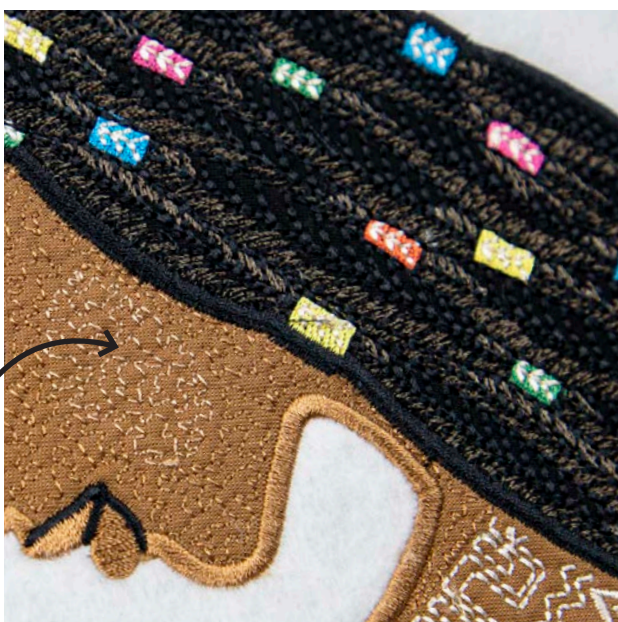

FOREVER FIERCE

MINI COLLECTION

Inspired by artwork depicting women from various parts of Africa, we have translated twelve beautiful women into stitches.

Spectacular threads!

MATRYOSHKA NESTING BAGS

PROJECTS COLLECTION

Visit the hills of rural Russia from the comfort of your sewing room as you create these adorable nesting dolls! The intricate designs of each of these Matryoshka dolls are based off of Khokhloma paintings and other folk art motifs from Russia and Eastern Europe.

PROJECT 121

TINY EMBROIDERED PILLOWS

This collection features beautiful floral embroidery, and can be used in a variety of ways. These tiny embroidered pillows can be used as pin cushions, microwaveable rice bags, or even pillows for a doll house.

PROJECT 122

BATH TIME SACHETS

Take a trip to the spa all while never leaving the comfort of your own home with these adorable bath time sachets! Fill them with scented bath salts to create a sachet to throw in the bath and relax and calm your nerves.
